

HOW MANY CARTONS DO YOU NEED?

- Find your room size on chart
- Number in square is the number of cartons you need

Note: Chart includes at least five extra tiles per 100 needed to allow for waste and odd room size.

		ROOM LENGTH (ft)															
		6'	7'	8'	9'	10'	11'	12'	13'	14'	15'	16'	17'	18'	19'	20'
