Purchase!

Enabled by  
**LG ThinQ®**

LG ThinQ® appliances include peace of mind with Proactive Customer Care. Get notifications, alerts, and helpful installation and usage reports.

It's the best way to care for your new appliance, protect your investment & keep it running at its best.

Automatically activate Proactive Customer Care by registering eligible products in the ThinQ app.

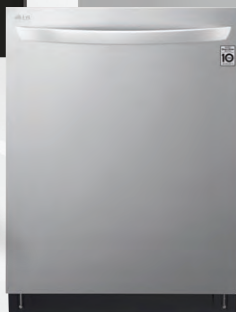

Too much detergent has been detected in your washer. Please reduce detergent amount and perform a Tub Clean cycle before your next wash load.

SCAN ME

Your dishwasher needs to be cleaned. Please complete a Machine Clean cycle to maintain performance.

Oops, you left your refrigerator door open. Please close the door to preserve optimal freshness.

It's time to perform an Easy Clean on your oven. Please use the Easy Clean once a month, or more often if needed.
