### EXCLUSIVE DEFECT FREE LIMITED WARRANTY

Natu provides a one (1) year Limited Warranty that the product is free of any manufacturing defects. If such products are found to be defective, Natu will supply new products of the same or similar style, size, color, grade and gauge for repair or replacement of the defective area and will pay reasonable labor cost if it was professionally installed. Non defective products that were damaged by improper installation would not constitute a valid claim under this Limited Warranty. Natu reserves the right to inspect any claim, request photographs and/or samples prior to approving such claim.

### WATERPROOF (SPC Wood/Vinyl)

Waterproof flooring will resist damage from moisture due to wet mopping, and everyday household spills with silicone sealed expansion space and on all cut ends. This product is waterproof, however, when excessive moisture accumulates in buildings or on building materials, mold and/or mildew growth can occur (particularly if the moisture problem remains undiscovered and unaddressed). The moisture warranty excludes damage resulting from mold and/or mildew growth due to prolonged exposure to moisture.

### 50-YEAR PRO-RATED WEAR-THROUGH LIMITED WARRANTY

Natu is protected with a wear layer. Natu warrants that there will be no wear-through of the wear layer for the amount of years indicated for the specific product. "Wear-through" means complete loss of the wear layer so that the wood layer is changed or affected. This Limited Warranty only applies provided the recommended installation and maintenance procedures are followed. For complete details on the Natu installation instructions and maintenance recommendations, please contact us.
