# Intro to Everbilt Modular Closet System

Thank you for purchasing your Everbilt modular closet system from The Home Depot. This closet system is designed to be modular and adjustable to give you maximum flexibility as your space needs change. Go to [homedepot.com](http://homedepot.com) to view all components and accessories available to add to your Everbilt closet system.

Please find the matching configuration you purchased in this book and follow the guide to aid in installing your closet system.

## START HERE

- Review packages you have received and ensure the quantities and contents match the list noted under your design.
- Open the base 'KIT' box first and follow the instructions inside. Be sure to place this kit on the furthest left side of your closet space. At this time, only install the hang track and vertical rails. Save the brackets, shelves, closet rods and decorative covers for after all the extensions and add-ons are installed.
- Next install the 'EXTENSION' hang track and vertical rails. Save the brackets, shelves, closet rods and decorative covers for after all the extensions and add-ons are installed.
- Install the 'ADD-ON' components along with the brackets, shelves and closet rods from the base kit and extensions in the desired locations.
- Finish the closet by installing the decorative hang track covers, vertical rail covers, and shelf covers.

## Safety Information

- Please read and strictly follow the assembly instructions for proper installation. Failure to do so may cause objects to accidentally fall, which may result in personal injury or property damage.
- Make sure to distribute the weight evenly on each shelf and use the correct hardware for system mounting.
- Do not overload, which may cause collapse of the system and cause personal injury or property damage.
- Do not climb, stand or step on the product, which may cause collapse of the system and cause personal injury or property damage.
- Be sure to wear appropriate safety equipment when using power tools and hand tools.
- The metal may have sharp edges or corners. The use of protective gloves is strongly recommended.
- Recommend to protect the work surface during assembly.
- This product is not a toy and contains small parts which may cause choking hazard for small children. Close supervision is necessary near children.

**DANGER:** The metal may have sharp edges or corners. The use of protective gloves is strongly recommended.

**WARNING:** Do not overload the shelving units. This may cause collapse of the system and cause personal injury or property damage.

**IMPORTANT:** Please read and strictly follow the assembly instructions for proper installation.

## Product Specifications

### LOAD CAPACITY

Max 45 lbs per linear foot (closet shelf+rod) / Max 20 lbs per linear foot for rod loading (when installed per manufacturer's instructions below):

- Drywall installation requires mounting into at least 1 stud.
- Drywall requirement for claimed load : ASTM C1396 Compliant, Min thickness 1/2 in.
- Maximum spacing between two vertical rails: 24 in. center-to-center spacing, as shown in "Plan Your Layout" section.
- Closet rod support bracket a maximum of 18 in. spacing.
- Installed per manufacturers requirements.

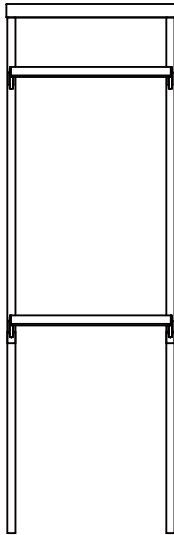

## Warranty

This product is guaranteed to be free of defects in materials and workmanship for 2 years from the date of purchase. If this product is defective, call 1-800-305-1726 or return the product to the store from which it was purchased for a replacement. Guarantee does not include normal wear and tear.
