

Natural, established in 1966.

Our inspiration starts from contemporary interior design and world renowned timeless architecture.

...Modernism at its best!

We pride ourselves on selecting the finest quality hides & skins from countries with a long standing tradition of producing premium leathers such as Belgium, Scotland, New Zealand, and Argentina.

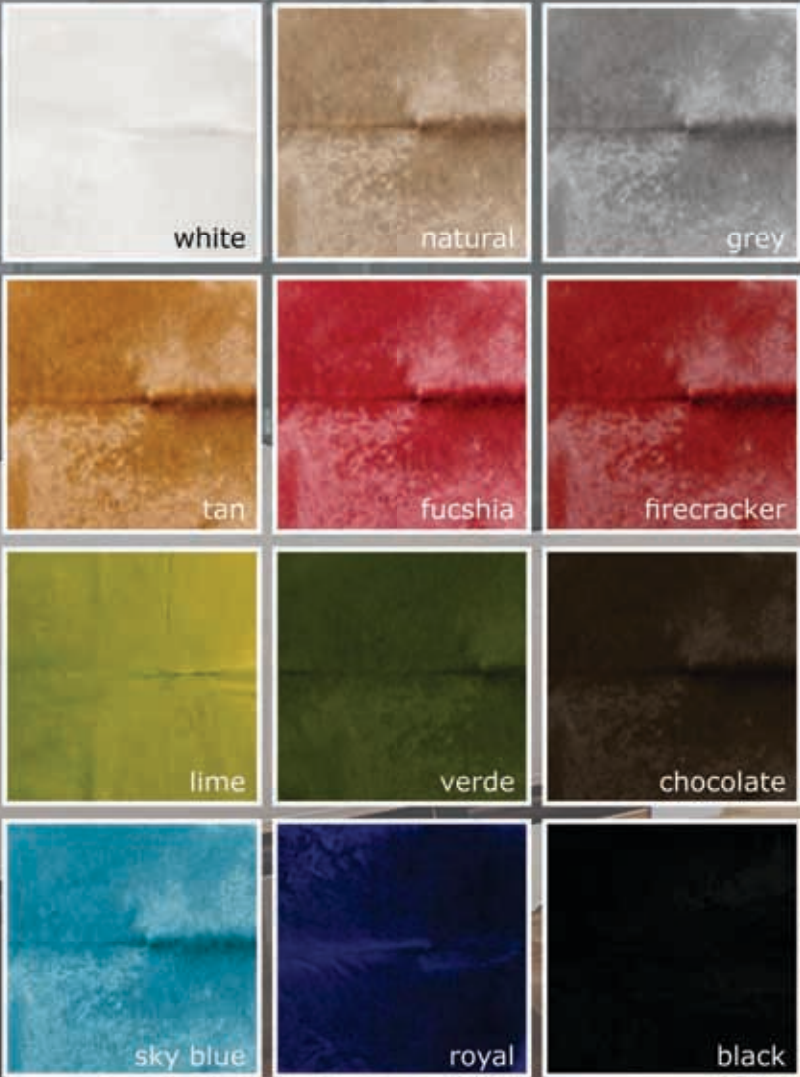

All of our rugs are 100% Natural from genuine controlled breeders.

Rich natural colors & textures blended with luxurious refined materials are the pride of our talented craftsmen.

Every stitch is handled with care and passion. The experience is visible in every unique rug that we deliver to our clients.
