GDF510PGD/PSD/PMD GE® Built-In Dishwasher

Features and Benefits

- GE's most advanced wash system - Consistently clean, dry and sanitized dishes are ensured with GE's most advanced wash system, combining 65% more wash power* with advanced performance features *Compared to previous models. Delivered separately to the upper and lower racks.
- Piranha™ Hard Food Disposer with Removable Filter - To ensure consistently clean items, this advanced disposer rotates at 3,600 RPM to pulverize food particles. The disposer helps to prevent large particles from clogging the wash arms by breaking them down so they can easily be filtered from the water
- 3 Pressurized, Full-Coverage Wash Arms - Expect exceptionally clean and table-ready dishes with powerful wash arms that deliver 65% more wash power to the top and bottom racks compared to previous GE models* (*Delivered separately to the upper and lower racks)
- Dedicated Silverware Jets - Get table-ready silverware thanks to powerful jets that focus on silverware baskets in multiple locations
- SpaceMaker® Silverware Basket - Enjoy table-ready silverware and loading flexibility with this unique basket that can be placed on the rack or onto the door
- Sharkskin gray racks with ball tip tines - Offers durability and secures dishes
- American Gray PermaTuf® interior - Heavy-duty material is designed for years of dependability and has an attractive finish
- 4-Pass Wash and Dry Element - Items come out consistently clean and dry with the help of this element, which quickly heats water for washing and air for drying
- Model GDF510PSDSS – Stainless steel
- Model GDF510PGDWW – White on white
