

Lime A-Way Bathroom Spray Use and Care

Usage

For hard water stains in larger areas, try [LIME-A-WAY® Toggle](#) to remove lime, calcium and rust. [LIME-A-WAY® Toilet Bowl Cleaner](#) works to remove hard water stains in your toilet, even below the waterline.

Directions

Wear rubber gloves. To open, press tab in and hold down while turning nozzle. Spray surface to cover soiled area. Wipe with damp cloth or sponge. Rinse well with water. To close, turn nozzle back until tab locks into position. Always re-close after use and store closed.
