

## WHO IS SEACHOICE?

Seachoice was established in 1988 as a supplier of high-quality marine hardware and OEM replacement parts with a focus on cleats, hinges and hasps. Recognizing the high demand for a full range of quality products at an affordable price, Seachoice aggressively began to expand its product line soon after.

Today, we offer more than 6,000 replacement parts and accessories in 17 key categories – including lighting, fuses, fasteners, safety equipment and anchors – to satisfy the fishing, boating and watersports enthusiast.

## WHY SHOULD I BUY SEACHOICE?

Seachoice is committed to delivering premium quality products at a competitive price. Run for and by boaters, we offer a no-hassle warranty on everything we produce. In addition, we are constantly raising the bar on quality while remaining competitive in pricing. What's more, Seachoice products are stocked in 18 strategic locations to serve the U.S., Canada, and all over the globe. Put simply, Seachoice is there when and where you need us.
