

# Latepis

## Shag area rugs

- ✦ It may seem a little different from the images since the area rug is folded when shipped, so the pile may be pressed.
- ✦ It will open up within 1-2 weeks. Please take it easy at all. You can also hand brush the pile to speed up the opening process.

## Care & Maintenance

- ✦ Machine Washable; Professional Cleaning Recommended.
- ✦ Vacuum regularly as needed, or machine wash on cold with mild detergent, then tumble dry on low.
- ✦ Blot spills and stains immediately, please make sure the rug is not soaked. Please pay more attention when using professional cleaners.

Please note: The product dimensions on our website are as accurate as possible. The area rug might have some slight variations in dimension due to differences in computer monitors. Colors may vary slightly depending on the angle and lighting as well.
