

WARRANTY

Our RuggedTub® products are guaranteed to be free of all manufacturing defects for 1 year from the date of purchase indicated on the consumer's sales receipt. This warranty is limited to the original owner and is not transferable to another consumer. The warranty applies to the product only and does not cover labour, travel expenses, the cost of installation or removal, or shipping. At its discretion, the manufacturer will, at its own expense, replace or repair any defective product during the warranty period if the installation is compliant (does not include the aforementioned costs). The warranty does not apply to stains caused by ferrous or hard water. This warranty does not cover damage caused by abuse, neglect, misuse, breakage resulting from shocks, improper handling, modifications made to the product or the use of chemical or abrasive products. Should that be the case, the warranty will be revoked without further recourse. This warranty is valid only if the installation instructions were followed and the installation is compliant with the instruction manual. This warranty is limited to the manufacturer's decision regarding replacement or repair. No compensation may be claimed as a result of an accident during installation or during the use of the product.
