### CARE AND USE

- Recommended for indoor and residential use only.
- Keep product away from all heat sources and direct sunlight. The leather will lighten if exposed to sunlight.
- Gently dust with a soft cloth to keep it free from dirt.
- Noticeable soiling can be wiped with a clean, wrung out cloth. Do not soak or vigorously rub the leather and always wipe excess moisture with a dry cloth.
- Do not use chemical cleaners or polishes.
- For heavy soiling, please consult a leather specialist and professional cleaner.
- New, unwashed denim jeans may transfer dye onto the leather, leaving permanent stains.
- Ensure the feet are tightly fastened. Try not to drag them to avoid damage to the furniture or your floor.
- The leather will scuff and will develop into a beautiful vintage patina with use.

**Regular maintenance is important to keep your sofa looking its best.**

**SAFETY PRECAUTIONS:** DISPOSE PLASTIC PACKAGING MATERIAL IMMEDIATELY TO AVOID ANY RISK OF SUFFOCATION TO CHILDREN AND ANIMALS.
