

BEHR® WAX DECORATIVE FINISH

PRODUCT INFORMATION

BEHR® Wax Decorative Finish is designed to work with BEHR Chalk Decorative Paint. It is soft, pliable, low odor and easy to work with. It enhances the color of chalk finishes, adds a rich satin sheen, and seals and protects the painted surface.

RECOMMENDED USES:

Apply to old or new wood, cast stone, concrete, or even metal surfaces that are painted with BEHR Chalk Decorative Paint. **Do not use on horizontal surfaces subject to foot traffic.**

PRODUCT SPECIFICATIONS:

Colors:

- No. 7140 Clear
- No. 7150 White
- No. 7160 Dark Antique

Net Weight: 8 oz (226 g)

APPLICATION:

- After painting the entire surface with BEHR Chalk Decorative Paint, allow a minimum of two hours to dry.
- Test on a small area first.
- Use personal protective equipment as required.
- Use a lint-free rag or a natural bristle brush, such as BEHR Chalk Decorative Wax Brush, to apply the wax.
- Spread the wax evenly over the surface. Focus on highlighting the best features of the piece by working the wax into small crevices.
- Allow wax to dry before buffing.
- To maintain the quality of the finish, reapply wax as needed.

CLEAN-UP/DISPOSAL:

Clean all tools with VOC-compliant paint thinner or mineral spirits immediately after use. Do not dispose of this product down a drain. If spilled, contain material and remove with an inert absorbent. Dispose of contaminated absorbent, container and unused product in accordance with all current federal, state and local regulations. For recycling or disposal of empty containers, unused product and soiled rags, contact your household refuse collection service.

CAUTIONS/LIMITATIONS:

- Keep away from open flames, hot surfaces and sources of ignition.
- Keep containers tightly closed in a dry, cool and well ventilated place.
- Do not use on floors.
- Not suitable for outdoor use.
- Shelf life under normal conditions is 12 months unopened when storage and handling instructions are followed.
