A. **REGISTRATION**: Please register your Murray lawn mower accessories within 60 days of the date of purchase. Go to dayenorthamerica.com/warranty to register.

B. **GENERAL PROVISIONS**: The warranties described below are provided by Daye, North America, Inc. (“Manufacturer”) to the original purchaser of a new Murray lawn mower accessory (“Equipment”) from The Home Depot. Under this limited warranty, the Manufacturer will repair or replace, at its option, any covered part which is found to be defective in material or workman ship during the applicable warranty term. Warranty service must be performed by a service center authorized by the Manufacturer to service the type of Equipment involved, which will use only new or remanufactured parts or components furnished by the Manufacturer. Warranty service will be performed without charge to the purchaser for parts or labor. The purchaser will be responsible, however, for any transportation of the Equipment to and from the service center’s place of business, for any premium charged for overtime labor requested by the purchaser of the Equipment, and for any service and/or maintenance not directly related to any defect covered under the warranties below. If the Equipment is sold to someone else during the warranty term, the limited warranty is transferable to the new owner. After registering, print or save a copy of the warranty number and other relevant information for your records. The warranty number and other relevant information must be transferred to the new owner.

C. **WHAT IS WARRANTED**: All parts of the Equipment, except tires and batteries when applicable, are warranted for the number of years specified below.

D. **WHAT IS NOT WARRANTED**: THE MANUFACTURER IS NOT RESPONSIBLE FOR THE FOLLOWING: (1) Any Equipment that has been altered or modified in ways not approved by the Manufacturer; (2) Depreciation or damage caused by normal wear, lack of reasonable and proper maintenance, failure to follow operating instructions, misuse, neglect, negligence, lack of proper protection during storage, or accident; (3) Normal maintenance parts and service; (4) If used for racing or any other competitive activity.

E. **SECURING WARRANTY SERVICE**: To secure warranty service, the purchaser must (1) Report the product defect to the Murray customer care line at 855-693-2582 and request repair within the applicable warranty term, (2) Present evidence of the warranty start date, and (3) Make the Equipment available to an authorized service center within a reasonable period of time.

F. **LIMITATION OF IMPLIED WARRANTIES AND OTHER REMEDIES**: The manufacturer shall not be liable for any incidental or consequential damages of any kind resulting from the purchase, use or misuse of, or inability to use the Equipment including incidental, special, consequential, or similar damages or loss of profits, or for any claim brought against the purchaser by any other party. There are no express warranties other than those set forth herein. Any warranty implied by state law shall be effective for any product only for the duration of the warranty term. Note: some states or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state or jurisdiction to jurisdiction.

G. **HOME DEPOT WARRANTY**: Unless The Home Depot mower protection plan is purchased separately, The Home Depot makes no warranty of its own and The Home Depot has no authority to make any representation or promise on behalf of the Manufacturer, or to modify the terms or limitations of this warranty in any way. https://www.homedepot.com/c/Home_Depot_Protection_Plan_Coverage_Details.
