For inches / millimeters conversion, see Application Data section.

■ Built to order. Allow 2-3 weeks for delivery.

① All circuit breakers on this page are common trip.

② Reverse handle.

③ CSA Listed.

④ MBK100A for use in 100 and 125A load centers.  
MBK125A for use in 125A load centers.  
MBK150A for use in 150, 200 and 225A load centers.  
MBK200A for use in 200 and 225A load centers.  
MBK225A for use in 225A load centers.  
MBK175A for use in 200 and 225A load centers.

⑤ QNR required for horizontal applications or vertical applications where the lugs are facing up. The QN breaker is required for vertical applications where the lugs are facing down as shown.
