

Read Before Opening

1 To begin enjoying your new Lucid mattress, simply remove plastic packaging with the provided easy opener. If using scissors, be careful not to cut through to the mattress.

2 Place mattress on a flat surface in a well-ventilated room and allow 48 hours for expansion.

3 After your mattress is fully expanded, you may begin enjoying the benefits of your new mattress.

Due to the unique properties of memory foam, dimensions after expansion may vary; this is normal and will not affect the performance of your new mattress.

New memory foam may initially have a slight odor; it is completely harmless and will dissipate over a short time with regular use.
