

# BESSEY® EZS clamps

Quick + Strong one-hand clamping or spreading

Simply better.

You may not know our quick-action EZS ONE HAND CLAMP with 445 lb of clamping force. It's lightweight, comfortable and you won't believe it's performance.

## 1 Powerful technology

The extremely sophisticated technology makes it possible – single-handed clamping and spreading of workpieces with up to 445 lb clamping force.

## 2 Intelligent release mechanism

Thanks to the intelligent release mechanism, the upper section can be quickly converted from clamping to spreading – without the need for tools or releasing screws.

## 3 Handle behind the rail

The ergonomically shaped 2-component plastic handle with pump lever is positioned behind the rail, enabling a powerful grip.

## 4 Soft pressure caps

Soft pressure caps guarantee material protection and secure clamping.

## 5 Internal components that ...

Reflect German engineering ... heavy duty for sure!
