

# ITEM #20584 - TRIANGLE BASE METAL GARMENT RACK

PART	QTY		PART	QTY	
A	2		D	2	
			E	2	
B	2		F	4	
			G	4	
C	3		H	6	
			J	1	
			K	1	

## INSTRUCTIONS

**STEP 1:** Attach post (Part B) to triangle base (Part A) using screws and cap nuts (Part G). Tighten using allen wrench (Part J). Repeat this step for both sides.

**STEP 2:** Attach posts (Part C) to the side frames assembled during step 1 using two screws (Part H) per post. Tighten using allen wrench (Part J). HINT: Do not tighten screws until all three posts are attached.

**STEP 3:** Attach casters (Part D & E) or stationary "feet" (Part F) to the bottom side of display using open-ended wrench (Part K). If using casters be sure to attach locking ones (Part E) on opposite ends of the same post. For reference, see image below. HINT: Lay display sideways on floor for easy attachment.
