

Use and Care Instructions

Tighten all components securely before use. Failure to do so may result in personal injury.

WARNING: Serious or fatal crushing injuries can occur from furniture tip-over. To prevent this furniture from tipping over, it must be permanently fixed to the wall using the wall attachment fittings included in the packaging.

Care for your furniture by periodically tightening all bolts using the included hex key. Knots, streaks and color variation occur naturally in wood. Wipe clean with a dry cloth.
