STRONG PERFORMANCE

Strong Performance

Working capacity: 3.0T/6600 lbs. A 12V vehicle power outlet and a low-pressure pull rod are set for sports cars. A dual-motor drive, which can work independently.

NON-SLIP CROSS GROOVE

Non-Slip Cross Recessed Ejector

This is a solid and stable non-slip ejector, free to adjust the height and starting height effortlessly, but also to stabilize the vehicle, to ensure your security and efficiency.

AUTOMATICALLY RAISE

One Button Operation

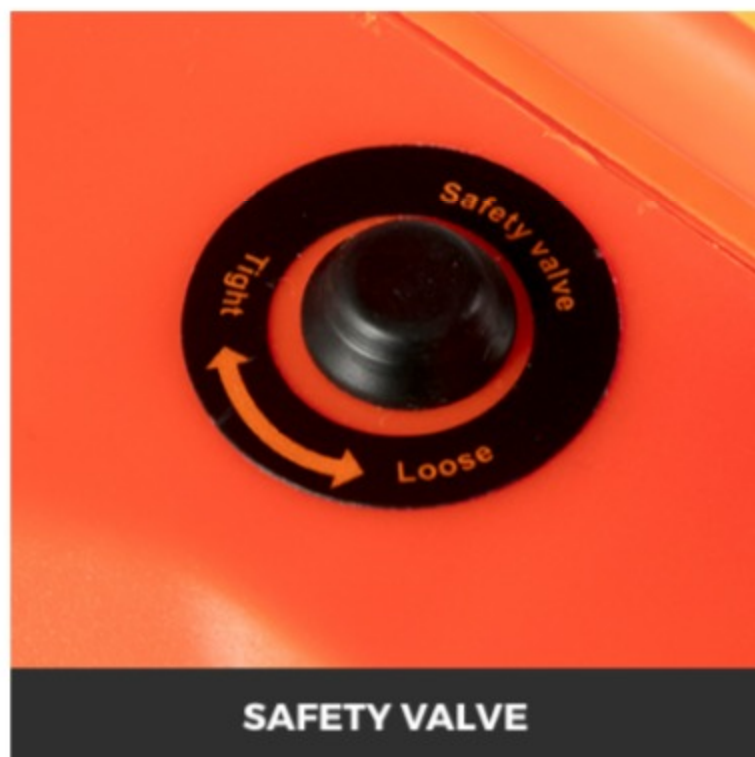

A simple control panel is easy to operate. Raise or low the jack through the buttons on the panel automatically. And a pressure gauge is to check the inflation pressure value.

MULTIFUNCTION

Multifunction

It can function as a car jack, an air pump, and a LED flashlight. It matches the complete small tools, safety hammer, gloves, BMC packing, engineering ABS shell.

SAFETY VALVE

Safety Valve

Emergency safety valve to avoid jack in case of loss of power fall, the jack automatically stops working after reaching the height limit.

COMPLETE ACCESSORY

Complete Accessory

All products (Car electric jack, safety hammer, 3.5m cable, battery clamp with wire, gloves, BMC packing, engineering ABS shell) are placed in the box.

Specifications

- Rated Power: 150W
