ITEM DETAILS:

Our Charlotte mosaic features a classic hexagon design made of honed Thassos marble. Gray marble makes up the geometric diamond pattern and features a distinct diagonal veining. Unlike most marble veining that flows freely, this natural stone's veining runs in straight lines in a single direction. The chips have been placed so the veining runs in different directions for added texture and detail. Perfect for creating stunning large installations or in combination with other mosaic and field tiles for intricate designs.
