# STOP

**MISSING A PART?  
CALL US BEFORE GOING  
BACK TO THE STORE**

The store where you made your purchase  
Does not stock parts for this item.

If you have assembly questions or you are missing or  
have damaged parts, please call

1-858-324-1911

(Mon - Sun, 10:00 am to 7:00 pm EST)

you can also e-mail [customerservice@veikous.com](mailto:customerservice@veikous.com)

or visit [www.veikous.com](http://www.veikous.com)

Please prefer email contact. Due to busy lines,  
there may be a wait for calls to be answered.

**Please have the following information ready when you contact us,  
so we can assist you promptly.**

- Order number or PO number ( you can find the info on your invoice, receipt or platform account).
- The model number of the product ( printed on the package box ).
- Description of the part from the parts list.

- 
- Read entire assembly manual, paying special attention to the important tips and safety information .
  - Ensure there are no missing pieces by first separating and identifying all parts.
  - Make sure to check packing material for small parts that may have fallen out during shipment.
  - Structures are not intended for public use. The Company does not warranty any of its residential structures subjected to commercial use such as: Daycare, Preschool, Nursery School, Recreational Park, or any similar Commercial Application.
  - This manual contains helpful information concerning assembly preparation, installation procedure and required maintenance.
  - Always keep safety in mind as your structure is being built.
  - Keep these instructions for future reference.

1. Two or more people are required for assembly.

2. You will need one or more stepladders.

3. Wearing protective gloves is recommended.

4. You may need a safety hat.

5. You may need to use a hex key.

6. Please use a Phillips screwdriver.

7. Do not fully tighten screws prior to complete assembly.

8. For ease of construction, you may need to use a drill.
