

LEDLENSER Quality Guaranteed.

At Ledlenser, we pride ourselves in superior quality in everything we do. From design all the way to manufacturing our product, we push the boundaries of innovation every step of the way. Our craftsmanship comes to life in over 100 industrial property rights, including many patents in utility models and design.

All Ledlenser lights purchased from an authorized reseller are backed by a **five-year warranty**.

An additional **two years** can be added to this warranty – **seven years in total** – if the user registers their product. Each light comes with a product registration card and unique product code. The user can simply scan the included QR code on the product registration card and follow the prompted instructions or enter the URL on a web browser. Once the product information has been entered on our website, the warranty becomes a full seven-year warranty.
