Seagull 800B

Key Features

Cordless - Eliminate the hassle of tangled cords and create a safer environment with the Seagull 800B.

Improved Battery - The Seagull 800/800B provides up to 90 minutes of cleaning and takes only 2.5 hours to fully charge.

One-Click Activation - Simply click and forget. Enjoy your weekend and return home to a pristinely clean pool.

Other Features

Auto-Parking - The Seagull 800B automatically parks near your pool's wall after completing a cleaning cycle or when the battery is low.

LED Indicator - The beautifully designed indicator communicates the unit's status so you're always on top of your cleaning game.

Portable - Weighing only 7.6lbs / 3.45kg, the Seagull 800B is light enough for most of the family to use.

Filter Tray - No bags, no baskets, just a simple nylon holding tray that collects all the debris your Seagull 800B picks up.

Recommended Pool Size - This unit is ideal for pools up to 860 sq.ft./80m².
