**SHAKE WELL**

**Granite CPR<sup>®</sup>**  
Cleans & Polishes In One Easy Step

- For Use On Granite, Marble, And More
- Economical - No Need For A Separate Cleaner And Polish
- Provides A Gorgeous Shine With A Silky Smooth Finish
- Streak Free
- Leaves Absolutely No Residue
- Gentle Enough For Daily Use

With Granite CPR, not only can you see the difference, you can feel it! Granite CPR leaves surfaces with a gorgeous shine, silky smooth finish, and absolutely no residue. Unlike other products, Granite CPR cleans and polishes in one easy step. There is no need for two products, which saves time and money. Safe for use on smooth polished granite, marble, stone countertops, tabletops, and vanities. Granite CPR can also be used on smooth polished imitation stone.

**Read These Instructions Before Use:**  
**SHAKE WELL.** Remove any large food particles or debris. Apply with a soft, dry cloth. Wipe the surface with an even coat of Granite CPR. Flip cloth over or use a separate clean, dry cloth to wipe off the excess product. **DO NOT use a wet cloth to apply or remove Granite CPR.**

**WARNING:** DO NOT use on porous surfaces. DO NOT use on floors. Always test Granite CPR on a hidden area of your surface before proceeding.

**CAUTION: Eye Contact:** Lift eyelids and flush with water for 15 minutes. Get medical attention if necessary. **Skin Contact:** Wash thoroughly with soap and water. **Ingestion:** If ingested, call physician or local poison control immediately. **Keep Out Of The Reach Of Children And Pets.**

**The liability of CPR Cleaning Products shall not exceed the purchase price of this product.** The purchase price of this product will be refunded if not completely satisfied.
