Vanilla White Shaker

For years the Shaker style has been a firm favorite for kitchens and for cabinetry all around the home. Its versatile design can be dressed up or down, classic or contemporary.

Take our hand painted Vanilla White, with that gentle hint of warmth that makes all the difference. Bright whites have had their day and now it's time for a softer, more natural look that blends beautifully with today's modern décors and accessories.

- Wide rail, V-groove Shaker
- Matte Vanilla White paint
- 1-piece routed construction
- Medium density fiberboard
- 3/4" recessed door panel
- Slightly rounded outside edge profile

Hand painted in a subtle vanilla tone, this style will lift the light in your kitchen beautifully. Forget stark whites, this dreamy, creamy finish is where it's at!

Vanilla White Shaker is ideal for bathrooms, giving a clean, fresh feel and brightening up what is usually one of the smallest rooms of the home.

- Keep personal toiletries tucked away
- Shallow (14" deep) base cabinets for where space is limited
- Don't forget our handy shelf and drawer mats – ideal for bathrooms

It's easy to get a custom-made look, with an integrated vent hood, built-in appliances and a superior hand painted finish, whoever would know the difference?

- Frameless design gives 16% more internal space
- Create an island using a combination of cabinets
- Color-matched moldings and toe-kick for a perfect finish

Gray Shaker

Make a style statement with Gray Shaker from J Collection. The most classic of door designs, our well-proportioned Shaker works effortlessly in both modern and more traditional settings.

So often people mistake gray as a cool color, but used in home interiors it creates such a richness and warmth, especially when combined with wood floors and softer wall shades. The hand painted finish has a subtle sheen that contrasts beautifully with your choice of stone, wood or laminate countertops.

- Wide rail, V-groove Shaker
- Matte Gray paint
- 1-piece routed construction
- Medium density fiberboard
- 3/4" recessed door panel
- Slightly rounded outside edge profile

Going for a bolder look? A stunning take on a classic favorite, this rich Gray Shaker style adds depth and warmth with its hand painted finish.

If you've never thought of gray as a warm color, think again. Ours adds depth and richness to stunning effect. We use a superior furniture grade hand-painted finish that looks and feels great.

If you usually get a touch of the washday blues, your J Collection Shaker laundry will soon have you feeling bright and breezy. You'll love being so organized and clutter-free, your least favorite chore will become a pleasure!

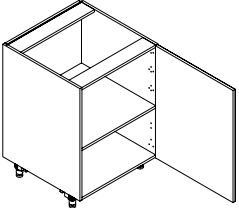

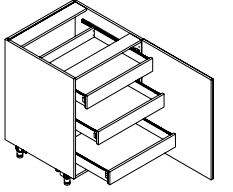

- So affordable — install your laundry and your kitchen as one project
- Maximize storage space with wall-to-wall cabinets
- Frame your washer and dryer for that custom-made look
