UNIT

STEP 1

Before beginning assembly, choose a desired mounting area. A place where the Back Plate can be properly hanged is preferred.

Start with the backplate. Take the M8 x 42 piece and lightly screw the piece into the spot shown in the image. Keep it loose as you will tighten this later at the final step
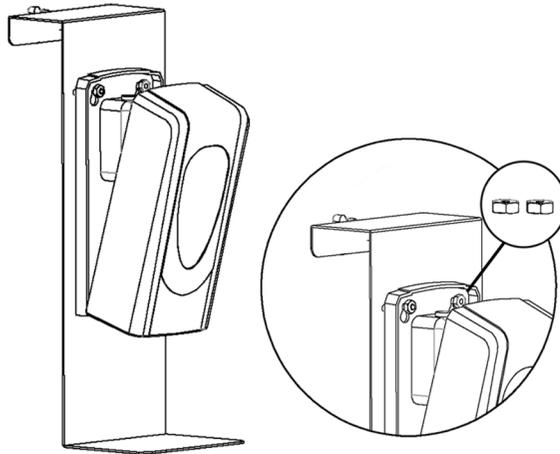

STEP 2
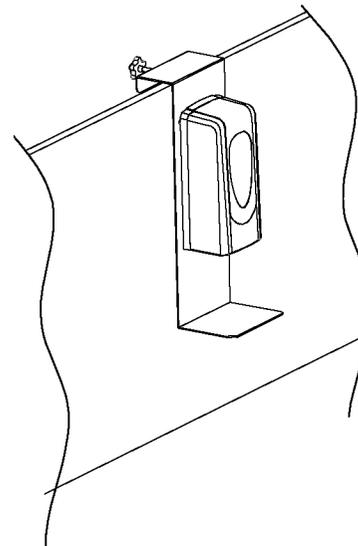

Place M6 x 16 screws into the back plate mounting slot

STEP 3

Carefully open the unit and attach it against the Mounting plate as shown in the image. Latch it onto the M6 x 16 screws and then tightly screw on M6 x 2 bolts

STEP 4

Hang the Dispenser onto your desired mounting location

STEP 5

Secure the back plate so that it can hang without wobbling by screwing the M8 x 42 piece against the mounting position
