

QuietWalk Carpet Cushion

Barefoot comfort for your carpet.

Premium Carpet Cushion

PET & CHILDREN APPROVED!

- **Great Thermal & Acoustical Insulator**
 - **Increases Life Expectancy of Carpet**
 - **Adds Luxurious Comfort to your Walk**
- Environmentally appealing, made of post-industrial recycled fibers from the carpet and textile industries.
 - Non-allergenic, contains no Volatile Organic Compounds (VOCs) vs. some resin-bonded foam pads.
 - Contains no liquid adhesives or resins that could potentially discolor carpet.
 - Uniform Feel underfoot, no hard lumps associated with re-bond foam pads.
 - Will not dry rot, crumble or deteriorate like many re-bond foam pads.
 - Poly film barrier keeps spills from penetrating and saturating the pad, helps keep stains from reappearing.
 - Firm, stable construction to resist permanent depressions from crushing and matting.
 - Flame resistant
 - Antimicrobial Properties:
 - Synthetic fibers by their composition do not support bacterial or fungus growth.*
 - Our high-temperature manufacturing process eliminates live organisms.*
 - We incorporate an EPA registered antimicrobial additive to help inhibit mold or bacteria growth.*
