

decora edge™

Leviton's new Decora Edge provides the classic appearance of Decora® devices in a **faster, easier-to-install, and safer** design.

FEATURES:

- Color-coded lever terminals for fast, efficient wiring; reduces risk of miswiring
- Lever doors have snap feature to assure connection has been made; audible 'click' confirms lever door is closed
- No exposed metal parts for enhanced safety; eliminates need for electrical tape
- Lever connectors work with 12 gauge and 14 gauge copper stranded and solid wire
- Strap's unique tongue and groove alignment offers quicker trim out on multi-gang installations
- Strap works with any sized wallplate
- Devices coordinate seamlessly with other Decora devices
- Can be used with Decora wallplates and Decora+ screwless wallplates
