

## Rust Stain Remover Outdoor

### **Can I use Goof Off® Rust Stain Remover Outdoor on my brick?**

Yes, it is safe for use on concrete, stucco, wood, fiberglass, brick, painted surfaces and vinyl siding.

### **Can I use Goof Off® Rust Stain Remover Outdoor on a painted surface?**

This product is safe on most painted surfaces, but always test it in an inconspicuous before broad application.

### **Can I use Goof Off® Rust Stain Remover Outdoor to remove rust stains from a toilet bowl?**

We recommend Goof Off® Bathroom Rust Stain Remover for the toilet bowl, as it is gentler on porcelain.

### **Can I use Goof Off® Rust Stain Remover Outdoor on asphalt shingles?**

No, this is not recommended.

### **Will Goof Off® Rust Stain Remover Outdoor remove calcium or lime buildup?**

Yes, Good Off® Rust Stain Remover removes rust, lime, and calcium stains.

### **Can I use Goof Off® Rust Stain Remover Outdoor to take rust stains from natural stone?**

Yes, test the product in a small, inconspicuous area before broad application.

### **Is Goof Off® Rust Stain Remover Outdoor safe for plastic decks and fences?**

Yes, test the product in a small, inconspicuous area before broad application.

### **I have rust stains on my pavers. Can I use Goof Off® Rust Stain Remover Outdoor to take these stains away?**

Yes, test the product in a small, inconspicuous area before broad application.

### **I was told Goof Off® Rust Stain Remover Outdoor would remove the oil stains from my driveway. Is this accurate?**

To remove oil stains, we suggest using Goof Off® Concrete Cleaner & Oil Stain Remover.
