

HYDRAULIC TOE JACK

10 US TON LIFTING CAPACITY
HEAVY DUTY STEEL

Key Features

MACHINED CYLINDER HOUSING

Large Lifting Capacity

The load capacity of hydraulic jack can reach 10 tons / 22,000 pounds (top) and 5 tons / 11,000 pounds (toe).

Two Lifting Ways

Two jack positions can provide more lifting clearance, compact design, suitable for on-site use, and maintenance work on construction sites.

Durable & Solid Structure

The high-quality steel is welded and heat-treated for durability; built-in two durable wear-resistant steel rings, the piston rod, the inner rod do not contact, and the over travel protection eliminates damage to internals from over-extension of the piston.

Simple Rising & Falling

The portable handle adds flexibility and convenience. It is easy to operate the toe jack with the detachable handle. Fast and efficient.

Thickened & Tight Spring

The spring has a compact structure, quick retraction, and long service life. Spring return helps to return to the ground quickly.

Wide Application

This floor jack is often used in power, chemical, steel, bridges, machinery, and other industries. And A great helper for riggers, fabricators, welders, and automotive body and frame shop.

10 Ton Hydraulic Toe Jack

This car jack hydraulic adopts high-quality steel after welding heat treatment. 2 jacking positions allow more lifting. The utility structure has the advantages of convenient operation, stable quality, and safety to use. It is suitable for lifting farm vehicles, heavy-duty machinery, industrial equipment, military applications.

- Heavy Loading Capacity
- Dual Purpose & Stable
- Sturdy Construction
- Rising & Falling Operation

Specifications

- Model: MHC-5RS
- Type: Hydraulic Machinery Toe Jack
- Ram Material: Welded Steel
- Shell Material: Proprietary Heat-treated Steel
- Capacity: Toe: 5 US Tons / Top: 10 US Tons
- Claw (the lowest position): 20 mm / 0.78"
- Claw width E: 100 mm / 3.9"
- Claw length F: 50 mm / 2.0"
- Max. Lifting Height: 145 mm / 5.71"

Package Contents

- 1 x MHC-5RS Hydraulic Toe Jack
- 1 x Manual
