

EDGE: EASED  
HAWKRIDGE™

## Stunning beauty from edge to edge

Add the perfect final touch to your beautiful new Cambria® countertops with a distinctive edge profile. All six edges are available in 2cm and 3cm depths and are included in the price of your countertop purchase.

### EASED

A simple but elegant style, this edge is beveled, not rounded, at the top.

### OGEE

Refined curves mark the profile of this beautiful edge.

### BULLNOSE

Rounded from top to bottom, this profile takes the edge off sharp angles.

### BEVEL

This classic edge adds a touch of angled geometry to the countertop.

### HALF BULLNOSE

This graceful edge is softly rounded on the top to offer a gentle contour.

### DOUBLE RADIUS

Bold and straightforward, this edge is slightly rounded at the top and bottom.
