Warranty Claims for Quality-Related Issues

All quality-related defects on items sold directly by eufy or eufy's authorized resellers are covered by an extensive warranty, starting from the date of purchase.

eufy's limited warranty is restricted to the country of purchase. The limited warranty is void on items taken outside the country they were originally bought in or shipped to directly from an authorized online purchase.

Quality-related warranty claims on purchases made through eufy's authorized distributors and retailers are handled through eufy.

For quality-related warranty claims, items will be replaced with a factory refurbished model of equal value when available, otherwise a new item will be sent.

Warranties on all replacements follow the same warranty timeframe of the original defective item, or 3 months after being replaced, whichever is longer. Warranties on products are void after having been fully refunded.
