#### General Terms And Conditions

Pergo Luxury Vinyl Flooring is warranted as indicated above in continuous climate controlled interior environments. The following general terms and conditions apply. If you have questions regarding the warranty information, please contact your retailer or Pergo sales representative.

1. These warranties apply only to the original owner and the first installation of the product and are non-transferable. The “original owner” is the person stated as the buyer on the purchase document(s).
2. Pergo will, at its option, repair or replace product not meeting the above listed warranties. When replacement of the flooring is made, only new material from the current product range at the time of the claim will be supplied by the distributor or retailer. If the product was originally professionally installed, Pergo will evaluate additional costs associated with any defective product.
3. Pergo’s responsibility under these warranties only applies to hidden defects that were not visible before or during the installation of the Pergo Luxury Vinyl Flooring. Material installed with visible defects is considered accepted by the owner.
4. These warranties do not apply to Pergo Luxury Vinyl Flooring that has been subject to abnormal use or conditions or abused in any way. “Abnormal use or conditions” includes but is not limited to damage from plumbing or appliance leaks, storm, or flood; damage from smoke, fire, or other casualty events; damage caused by negligence or improper alterations of the original manufactured product. “Abuse” is any use of the flooring that is unreasonable considering the normal and expected uses of Pergo vinyl flooring in a residential or light commercial environment. These warranties apply only to indoor installations of flooring in dry and climate controlled conditions. The feet of furniture must always be covered with appropriate protective material. Suitable walk-off mats should contain both soft and firm fibers to facilitate removal of wet or solid contaminants from shoe soles. An extra set of walk-off mats should be available for each entrance so the mats can be replaced and cleaned weekly during routine maintenance, or more often depending upon site and weather conditions. This routine will prevent walk-off mats from becoming the source of tracked-on contaminants. Walk-off mats should be large enough to allow adequate soil removal.

9. These warranties do not apply to damage from exposure to extreme heat or sunlight exposure, dryness, or stains as a result of chemical or industrial products (other than recommended cleaning products).
10. These warranties exclude damage caused by hydrostatic pressure (water or moisture under the floor that is transmitted to the surface through exerted pressure) or other conditions related to water or moisture originating below the floor.

12. TO THE EXTENT PERMITTED BY LAW, ALL IMPLIED WARRANTIES<sup>4</sup> WHICH MAY ARISE BY IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE—INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE—ARE EXPRESSLY EXCLUDED. PERGO WILL NOT BE RESPONSIBLE FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES.

14. Pergo disclaims liability for any sickness or death caused by microbes on the flooring surface or any associated medical expenses. Antimicrobial product protection is limited to the protection of the product itself and does not protect against disease-causing bacteria.
15. In the event of an antimicrobial warranty claim, Pergo may examine the product and determine the extent to which the protection has been diminished.
16. THESE LIMITED WARRANTIES CONSTITUTE THE ENTIRE AGREEMENT OF THE PARTIES, AND NO WAIVER OR AMENDMENT SHALL BE VALID UNLESS IN WRITING AND SIGNED BY AN AUTHORIZED REPRESENTATIVE OF PERGO.

<sup>3</sup> Manufacturer does not recommend the use of casters on any flooring without appropriate chair pads.

<sup>4</sup> By implied warranties Pergo means warranties that the law presumes to have been given by the seller even though they are not set out in writing. PLEASE NOTE: Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to the original owner.

### Care And Cleaning

Your Pergo LVT flooring will provide years of enjoyable use. You will find that it is not only beautiful, but durable. It is also much easier to maintain than most other flooring products, thanks to its tough protective finish and moisture resistance. It only takes a few simple care and maintenance steps to keep your Pergo floor looking beautiful for years to come.

#### Preventative Maintenance

- Prevent indentations and scratches with the use of non-staining floor protectors on the legs of chairs, appliances and all heavy furniture. Floor protectors should be at least one inch in diameter.
- Do not flood floor or subject to standing water.
- Protect your floor from tracked-in dirt by using mats at all outside entrances. Mats should have a non-rubberized backing and be marked as non-staining.
- Avoid tracking in tar or asphalt from driveways.
- Avoid high heeled shoes on your floor, as they can cause permanent indentations.
- Protect your floors against burns. Burns from cigarettes, matches or other extremely hot items can cause permanent damage.
- Avoid exposure to direct sunlight for prolonged periods, as this can cause discoloration.

#### Cleaning and Maintenance

- Spills should be cleaned up immediately.
- Use a damp mop to remove loose dirt.
- Wash the floor with non-abrasive, neutral pH floor cleaner.
- Thoroughly rinse the entire floor with fresh, clean water. Remove rinse water and allow the floor to dry completely.
- A residential steam mop may be used for Pergo Defense Plus products, provided the steam is applied to a microfiber pad and not applied directly to the floor. Make sure to set the temperature of the steam mop to the appropriate setting for vinyl floors, or to the lowest setting. Steam mop in the length direction of the planks only.

**DO NOT** use the following on your Pergo floor:

- Soap based detergents
- Abrasive or mop-and-shine products
- Floor wax
- Ammonia
- Vacuum cleaner with a rotating beater bar

Always read the cautionary information on all cleaners prior to use.

**IMPORTANT:** Never push, pull or drag furniture, appliances or other items across the floor. Always place hardboards over flooring or lift and carry furniture and other heavy items.
