

What is your warranty?

We warranty each and every Solo Stove product to be free of manufacturing defects, and we will repair or replace with a new product, at our option, any Solo Stove product that is deemed defective. Solo Stove does not warrant its products against normal wear or misuse. If your Solo Stove product was damaged due to misuse, our repair department can analyze the damage and may be able to repair it for a reasonable fee.

For warranty claims, please email help@solostove.com for further instructions.
