- Compact size allows easy use in tight places
- Heavy-duty tubing cutter
- Spoked design knob for added leverage and turning ease
- 1/2 in. maximum NPS capacity, 1/4 in. minimum NPS capacity
- 5/8 in. maximum O.D. pipe size, 1/8 in. minimum O.D. pipe size capacity

**Product Overview**

Husky's 5/8 in. Junior Tube Cutter can trim various sizes of tubing quickly and with little effort. The knob has a spoked design for added leverage and turning ease. It provides clean, square cuts on copper, brass, aluminum and thin-wall conduit, especially in tight spaces. This heavy-duty cutter is the perfect addition to your toolbox.

**Operating Instructions**

Read all instructions carefully before using:

1. Turn knob to open cutter jaw beyond diameter of tubing
2. Line up cutting wheel with cutting line on tubing and until snug
3. Rotate cutter around tubing, tightening knob every few turns until wheel cuts through tubing
4. Deburr and clean out edge
