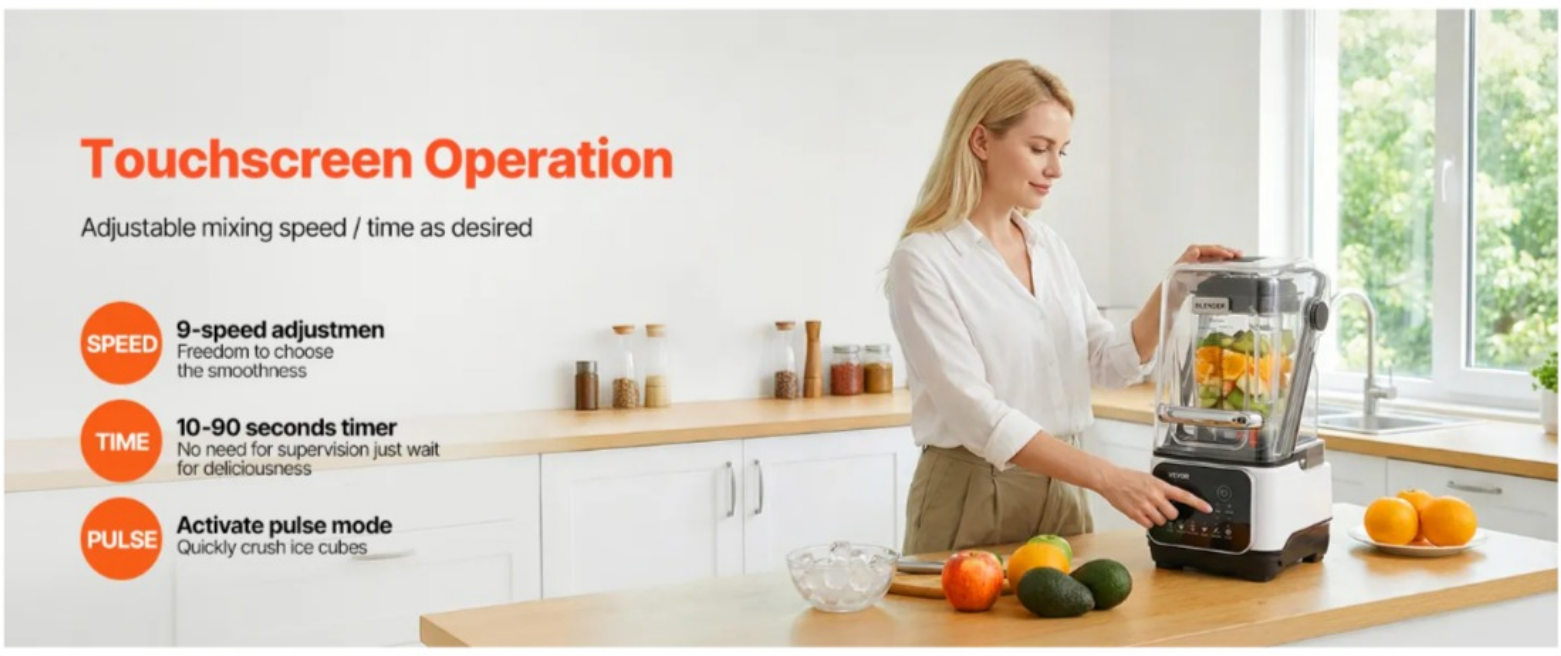
Professional Countertop Blender with Shield

With a high motor power, it operates efficiently, ensuring smooth blending of beverages.

This professional blender can be used as a juicer, blender, and grinder, allowing you to make a variety of drinks.



The touchscreen allows you to adjust the blending speed and time easily, providing a user-friendly experience.

Designed with a noise-cancelling cover, this commercial countertop blender operates silently without disturbing anyone.

One-touch activation of the self-cleaning mode makes cleaning effortless and hassle-free.
