With up to 22 minutes of recording time, the VTech CS5129-26 DECT 6.0 Expandable Cordless Phone with Answering System and Caller ID grabs calls when you can't. The system also features a full-duplex handset speakerphone, which allows both ends to speak and be heard at the same time for conversations that are more true to life. Using DECT 6.0 technology, the VTech CS5129-26 DECT 6.0 Expandable Cordless Phone with Answering System and Caller ID gives you private, interference-free sound from any room in your home. Plus, the lighted display indicates how many new messages you have waiting. Add up to three accessory handsets in minutes with just one phone jack.
