

UNBOXING CAUTION

Please do the following immediately before assembling/installation.

If any damages or missing parts, please contact us ASAP through Email:
info@coastsequoia.com

- Please check each panel to see if there is any damage.
- Please check to make sure the color of the panels aligns with your chosen option when placing the order.
- Please check to make sure the quantity of each item in hardware kit is the same as listed on the instructions following the size.
- Please **FINISH ASSAMBLING** the panels within a day after unboxing to avoid the boards being warped.

We are only responsible for these issues appeared during unboxing. For these issues appear during or after installation are not going to be responded. Please note, we are not responsible for any labor or projects delayed.
