

# METAL MAN<sup>®</sup>

## WORK GEAR

### Three-Tier Welding Cart

#### DESCRIPTION

The Metal Man Three-Tier Welding cart is designed to make maneuvering your welder easy. The single cylinder rack is capable of holding up to a 7-1/2 inch diameter, 80 lb cylinder and comes with a securement chain to hold the cylinder in place. The top shelf is slightly slanted putting the welder controls at an easy to use angle. The extra shelf levels provides convenient storage space for your welding accessories.

**Order Part Number: TTWC1**

#### SPECIFICATIONS
