Note: For installation into drywall use appropriate drywall anchors (not included)

Nota: Para instalar en la pared de yeso, utiliza los anclajes apropiados para paredes de yeso (no incluidos)

Remarque : Assurez-vous d'utiliser les ancrages appropriés pour votre type de mur.
Communiquez avec le détaillant de quincaillerie de votre municipalité si vous avez des questions.

Note: For installation into masonry, block or surfaces other than drywall, consult your hardware retailer for the correct fasteners

Nota: Para instalar en mampostería, bloques o superficies distintas de paredes de yeso, consulta con su ferretero para que te recomiende los elementos de sujeción correcto

Remarque : Assurez-vous d'utiliser les ancrages appropriés pour votre type de mur.
Communiquez avec le détaillant de quincaillerie de votre municipalité si vous avez des questions.

Note: Both Wall Mounts MUST be mounted to a stud

Nota: Ambos Soportes de Pared DEBEN ir montados en una viga

Remarque : Les deux Fixations murales DOIVENT être ancrées dans un montant

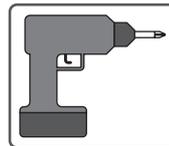

Note: A level must be used to complete this step

Nota: Para completar este paso, se debe usar un nivel

Remarque : Un niveau doit être utilisé pour exécuter cette étape
