Consumer Benefits

Sensor Cook Technology

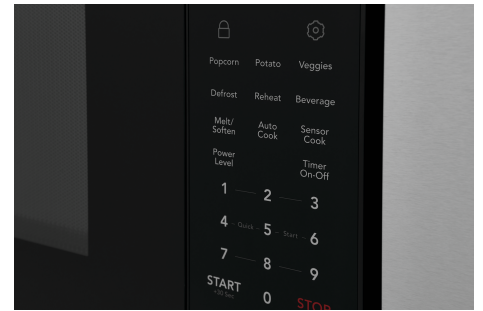

Microwave sensors detect and automatically adjust power levels and cooking times for a variety of items, providing great-tasting results every time.

Fits-More™ Capacity

Heat up almost any size dish in the extra-large microwave that provides 1.6 cu. ft. of cooking space.

Preset Cooking Options

Cook baked potatoes, popcorn, or add 30 seconds to your cook time at the touch of a button.

Bright Interior LED Lighting

Keep an eye on your food while it cooks with bright interior LED lighting.

Zero-Clearance Door

The microwave door is guaranteed to open up to a 90° angle without touching any adjacent walls, helping you adapt to any compact spaces in your kitchen.

13-1/2" Diameter Glass Turntable

Big bowls and large casserole dishes are no problem with an extra-large glass turntable.
