2 Installing The Vertical Garden Bed

Lower the vertical garden bed into the garden stand (Item 1).

Fasten the vertical garden bed to the garden stand with four 8 x 1-1/2" screws (Item 2).

3 Soil Mix

NOTE: Before adding the soil mix, verify that the vertical garden stand is secure and stable. Verify that all back rails and shelf rails are completely installed.

Slowly place the soil mix into the top of the vertical garden. Add soil mix until it is approximately one inch below the top back and shelf rails.
