

Storage Cabinet Use and Care Guide

Safety Information

- This product is intended for indoor use only.
- This product is not designed for commercial no industrial usage.

CAUTION: Use at least two people to move, assemble or install this product. Failure to do so can result in personal injury or product damage.

WARNING: This product must be securely mounted on the wall with hardware provided.

CAUTION: Any assembly or maintenance of this product must be carried out by adults only.

WARNING: DO NOT leave children unattended near this product. Cabinet can tip over if improperly opened.

CAUTION: Keep the product on a level surface. The product could become unstable and may tip over if stored or moved on an uneven surface, which may cause personal injury, death or product damage.

WARNING: Do NOT stand on this product or use it as a scaffold.

CAUTION: Close and lock all doors and drawers before moving this product.

WARNING: DO NOT alter this product in any manner. This may cause product damage or personal injury.

CAUTION: Check all nuts and bolts periodically for tightness. When required, tighten them.

WARNING: DO NOT put anything on the top panel of this product.

Maintenance

- Check all screws and washers periodically for tightness. Tighten them when necessary.

Care and Cleaning

- Use a dry or slightly dampened, clean cloth to wipe the cabinet. Mild detergent may be used to remove stains. Be sure to fully dry the cabinet after cleaning.
- Apply a lubricating agent on some operative components such as hinges and drawer slides every six months.
