

110 Pint Commercial Dehumidifier

Model: RDHC-110

Designed for rugged commercial use and efficient moisture removal. Ideal for commercial and industrial environments and for water damage restoration.

Washable Filter

FEATURES

Designed for Commercial Use

- Rugged metal housing for heavy duty use
- Efficient moisture removal (110 Pints per day @86°F, 80%RH)

Digital Controls

- Digital trouble shooting display and electronic controls allow you to set the desired humidity level and 24 hour timer
- Auto restart after a power outage at previous settings

Portable Design

- Easy to move around with pneumatic wheels and easy grip handle
- Stackable for convenient storage of multiple units when not in use; built-in side handles to help lift unit

Washable Filter

- Collects large dust particles and prevents bacteria build up. Easy to remove for cleaning

110 Pint Commercial Dehumidifier

Model: RDHC-110

PRODUCT OVERVIEW

- 1 Digital Control Panel**
Digital trouble shooting display and electronic controls allow you to set the desired humidity level and 24 hour timer
- 2 Water Tank or Continuous Drainage**
Includes 5.5 L water collection tank or 5 m (16.4 ft) hose for continuous drainage
- 3 Easy Grip Handles**
- 4 Rugged, Heavy Duty Wheels**
Provides easy mobility
- 5 Cord Management**
Bracket included on back of unit to wrap power cord
