

Installation Guide for Instapark's GHN-06 Recoil Garden Hose:

- ❖ Please attach the appropriate end of the brass fitting to your outdoor water faucet.
- ❖ Please attach the 7-pattern nozzle to the appropriate end of the brass fitting.
- ❖ When you want to use the hose, gently expand, and the hose will extend up to 50 feet.
- ❖ When you want to recoil the hose, gently put back into place.
