

THE NEW

tile Mate

with replaceable battery

The world's best-selling tracker is ideal for anything. Put it on all your things and find them faster.

150 ft

Replaceable
battery

Replaceable battery

Mate uses a replaceable CR1632 battery which runs for a year with no upkeep, and then is easy to replace yourself.

More powerful

The reliability-tested Mate is there for you when you need it most. Now with increased range and volume so your stuff is even easier to find.

Smart home integration

Mate works with Amazon Alexa and Google Assistant to make finding easier than ever.

Get started

Download the free Tile app and follow the simple in-app steps to activate your Mate.

Ring your things

Use the Tile app to ring your device if nearby, or see its location on a map if far away.

Find your phone

Double press the Tile button on your device to make your phone ring even when it's on silent.

Activate community find

With millions of users all over the globe, the Tile community can help you find your things fast wherever they are.

Sharing

Share it with a roommate or friend to increase your finding power.
