This warranty is between Boyd Specialty Sleep and the original purchaser and is valid only when accompanied by the original purchaser's sales receipt showing original date of purchase and location of purchase. Boyd Specialty Sleep or its authorized Comfort Ease dealer can accept or reject warranty claims based on its findings. This warranty applies in normal residential use only. Normal residential use only is described as using the Comfort Ease on a level surface with all legs touching the floor with an equal distribution of weight. This Comfort Ease is to be used with the mattress provided only. This warranty is invalid if the Comfort Ease is not used for its intended purpose. Boyd Specialty Sleep can make substitutions as required of materials, components, and sub-components of comparable value and utility. *Boyd Specialty Sleep* reserves the right to refuse service and invalidate the warranty when, upon inspection, the product failure is caused by factors other than defective workmanship or materials.

Manufacturing defects include when the Comfort Ease has become defective where it will not support the mattress properly. This warranty assures that: Cover will remain serviceable and free of runs and tears. The foam will not crumble bow out or become deformed. It DOES NOT APPLY TO tears, punctures, cuts caused by accidents, abuse, improper installation, or any negligence by the consumer or user. It is understood that this does not include a normal increase in softness in the Comfort Ease material or a decrease in the slow recovery feature which does not affect pressure relief.

Sales and use taxes, plus shipping and handling charges are the responsibility of the consumer. Consumer is required to deliver damaged product to the authorized Comfort Ease dealer.

Certain items are not covered by this warranty. These include, but are not limited to the following:

1. Components subjected to abuse including abuse intended to simulate failure.
2. Damages caused by shipper, dealer, or installation crew.
3. Any part which merely exhibits normal wear yet functions essentially as new. It is not uncommon for some of the metal welds to become loose in transit or during normal use.
4. Boyd Specialty Sleep disclaims liability for any aspect of installation and any inconvenience caused by a defective part of a component.
5. Tears, punctures, or any damage caused by improper installation.
6. Items sold “as is” and Floor Model Units.
7. Boyd Specialty Sleep warrants only the Comfort Ease. This warranty does not extend to any mattress that may be placed on the Comfort Ease.
8. Yellowing of the foam – this can occur naturally and does not affect the performance of the bed.
9. Body impressions 2” deep or greater.
10. Comfort Preferences
