Product Features

Style: Mid-Century/Contemporary/Modern

Material: Metal, Glass

Base Type: E12-base

Light Source Included: No

Voltage: 110VAC

Wattage: 40W

Package includes

1 x Ceiling Light

1 x Accessory Pack

1 x User's Manual

Installation Instructions

A: Adjust the position of the lamp arm (5).

B: Secure the mounting plate (1) to the junction box using the screws (2).

C. Connect the positive "L" black wire and negative "N" white wire of the lamp body (9) to the power wires using cap nuts (8), ensuring no exposed bare wire to prevent electric shock. Use the green screw (6) to secure the ground wires to the mounting plate (1).

D. Use the stub bolts (3) to fasten the canopy/ceiling plate (4) onto the mounting plate (1) and secure the assembled lamp in place.

E. Once the lamp is mounted, screw the light bulb (12) tightly into the lamp holder (11), then twist the glass lampshade (13) clockwise onto the lamp cup (10).

Note: Please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
