

New! 32 Gallon Round Trash Can with Lid

#1385

Product Usage

Works great at any facility for trash, recycling, storage, and more. Fits all standard wheel dollies and maid carts that fit 32 gallon trash cans – perfect for on-the-go. Built to hold super heavy materials without the handles warping and bending.

- Base handle grips conveniently located on the side of the base to easily lift and empty without having to touch the dirty bottom of the can
- Vented channels on the inner sides – trash bags pull out easily and don't get suctioned down into the can
- Bag tie cinches on the handles for knot-free liner changes
- Fits standard wheel dollies
- Heavy-duty reinforced handles will not bend and warp under extreme weights
- Strong durable LDPE material will not bend/warp and resists cracking in colder temperatures
- Rounded ergonomic handles don't cut into hands
- Rounded snap-on lid adds more capacity
- Thicker plastic on base to withstand rougher surfaces and dragging for an extended life
- Extremely durable
- Thick, high quality plastic in the right areas
