Use and Care Manual

Assembly Guidelines

• Assemble on a clean, soft surface to prevent scratches.
• Tighten hardware securely, but do not overtighten.
• Recheck hardware periodically during use.
• Two adults are recommended for assembly and moving large components.

Use Instructions

• Use only as intended for bedroom storage and sleeping purposes.
• Distribute weight evenly across drawers and surfaces.
• Avoid standing, sitting, or climbing on dressers, nightstands, or drawers.
• Keep furniture on a level floor.

Care & Maintenance

• Dust regularly using a soft, dry cloth.
• Clean spills immediately with a slightly damp cloth and dry thoroughly.
• Do not use abrasive cleaners, ammonia, bleach, or harsh chemicals.
• Use coasters, pads, or protective mats to prevent surface damage.
• Keep away from excessive moisture, direct sunlight, and heat sources.

Safety Information

• Ensure furniture is properly positioned and secured where necessary to promote safe use and stability.
• Keep small hardware components away from children during assembly.
• Do not exceed manufacturer-recommended weight capacities.
• Inspect the furniture periodically for loose hardware or damage.

Warranty & Support

Retain your proof of purchase and product information for future reference. Contact the retailer or manufacturer for warranty and support details.
